Economic Evaluation of Kihansi Units 4 and 5 in Tanzania (Norplan A/S, 2000)

Institutional Framework and Regulation of the Power Sector in Indonesia (Norplan A/S, Coopers & Lybrand, 1993)
-- Project Manager and Co-author

Master Plan Egypt Electricity Manpower Planning and Development Systems (Powrplan International, 1989).

"Electric power strategies for Pakistan," Dawn Economic & Business Review, 1988

Long Term Demand and Supply Options for the Electric Power Sector in Pakistan (Energy Development International, 1988)

"The elements of effective productivity regulation," Proceedings Fall Industrial Engineering Conference, 1986

An Evaluation of PEPCO's 1985 Energy Plan (Public Service Commission of the District of Columbia, 1986)

Economic dispatch and bulk power marketing, Public Utilities Fortnightly, 1985

A Reassessment of the Excess Capacity Issue (ISCC Operations Review Division, 1984) - Principal Author

Simulated Competition as an Incentive for Utility Efficiency (ISCC Operations Review Division, 1983)

"Incentives for efficiency through regulation," Public Utilities Fortnightly, 1983

The National Electric Reliability Study (U.S. Department of Energy, 1981) --Project Manager and Co-author

"A linear programming model for minimizing U.S. oil consumption," Electric Power Systems Research, 1981

The National Power Grid Study (U.S. Department of Energy, 1980) -- Project Manager and Co-author

Regional Power Systems Planning: A State-of-the-Art Assessment (U.S. Department of Energy, 1980) -- Project Manager

"Distribution planning: state-of-the-art and extensions to substation sizing," Electric Power Systems Research, 1978

"Advanced concepts for bulk power system studies," Long Range Planning, 1977

Factors Influencing Electric Utility Expansion (U.S. Energy Research & Development Administration, 1977) -- Project Manager.

1977 System Study (Oklahoma Gas & Electric Company, 1977)

"Automatic load flow contingency evaluation using a reliability index," Proceedings IEEE Summer Power Meeting, 1976

"APPEARS: a project priority evaluation and rating system," Proceedings Power Industry Computer Applications Conference, 1975

Engineering Records Study (Oklahoma Gas & Electric Company, 1974)

"An interactive procedure for sizing and timing distribution substations using optimization techniques," IEEE Transactions on Power Apparatus and Systems, 1974
