

# '9/11 UNVEILED' Offered FREE by The Wisdom Fund, Immediate Download

*3000+ military, intelligence, industry professionals do not believe the official account of 9/11.*

---

WASHINGTON, DC, September 11, 2014 **/24-7PressRelease/** -- "9/11 UNVEILED" is available free from The Wisdom Fund -- <http://www.twf.org/9.11.Unveiled.pdf>. The book has been described as "the best short summary" by a former foreign policy advisor to Richard M. Nixon. More than 60,000 copies have been downloaded.

## ABOUT THE BOOK

In December 1989, the Washington Post reported, "Military experts from previous administrations told Congress today that the \$300 billion annual Pentagon budget could be safely cut in half over the next decade."

In September 2000, The Project for the New American Century wrote, "Preserving the desirable strategic situation in which the United States now finds itself requires a globally preeminent military capability... the process of transformation... is likely to be a long one, absent some catastrophic and catalyzing event -- like a new Pearl Harbor."

On September 11, 2001, tragedy struck. Was 9/11 the "new Pearl Harbor?"

9/11 Unveiled leads the reader to the inescapable conclusion: the official account of 9/11 is fatally flawed.

## ABOUT ENVER MASUD

Author, Enver Masud, is the founder of The Wisdom Fund. He has lectured widely on 9/11. His articles on national and world affairs have been published in newspapers and magazines in the U.S. and overseas.

An engineer by profession, Mr. Masud managed the U.S. National Power Grid Study for the U.S. Department of Energy. He has consulted for the U.S. Agency for International Development, and the World Bank.
